

Commitment & Involvement

प्रतिबद्धता से उन्नति

Individual commitment to a group effort -- that is what makes a team work, a company work, a society work, a civilization work.

Taking ownership of one's work means showing a strong commitment to the goals of the business and flexibility in approach to achieving these goals.

Contents

Focus on accomplishment

To get "committed & involved" requires an individual & team to focus on the achievement and not just on activity.

Take initiative

Trust only movement. Life happens at the level of events not of words.

Think differently

How you look at your work decides how you work.

Pride in work

A commitment to excellence and to victory is what life is all about

Work in full throttle

Without involvement, there is no commitment

Do your best, be the best

The quality of a person's life is in direct proportion to their commitment to excellence, regardless of their chosen field of endeavor.

Take Away

Following this training workshop, the participants will be inspired to take ownership of their work & pursue excellence in their work.

Objectives

To sensitise the learners on their present level of involvement to their work & inculcate commitment to do better
